## 2020 Protection Services Ltd

PROTECTION SERVICES LTD

OUR VISION,  
THEIR PEACE OF MIND

### About Us

Founded in 2015, 2020 Protection Services Ltd is a trusted provider of professional security services committed to safeguarding people, property, and assets. We deliver bespoke, reliable, and cost-effective security solutions to a diverse client portfolio, including entertainment venues, charitable organisation, private clients, and commercial properties.

Our approach combines highly trained, SIA-licensed security professionals with internationally recognised management standards, ensuring peace of mind and consistent, high-quality service.

### Certifications & Accreditations

- UKAS Certified – ISO 9001:2015 (Quality Management)
- Safe Contractor Approved
- Safe PQQ Verified
- Proud Member of the British Security Industry Association (BSIA)

These accreditations demonstrate our commitment to quality, compliance, and professional excellence.

### Our Services

2020 Protection Services Ltd provides comprehensive and adaptable security solutions, including:

- Door Supervision – Licensed and professional security staff for clubs, bars, and entertainment venues.
- Event Security – Crowd management, entry control, and safety assurance for public and private events.
- Manned Guarding – Uniformed security personnel for commercial, residential, and charitable organisations.
- Mobile Patrols – Visible deterrence and rapid response services.
- Keyholding & Alarm Response – 24/7 protection with efficient alarm attendance and secure keyholding.
- Bespoke Security Solutions – Tailored services to meet the unique needs of each client.

### Why Choose Us

- Over 10 years' industry experience
- Fully licensed and trained security personnel (SIA approved)
- Proven track record with a wide client base, including charitable organizations and private sector clients
- Dedicated to maintaining the highest standards of safety, professionalism, and customer service
